Primary PE Sports Grant Report 2019-20

At Holy Cross Primary School, we provide PE and competitive sport to build character and embed values such as fairness and respect which contributes to pupils' all round development.

Our wide-ranging PE and sports provision allows pupils to take pleasure in sport and promotes a healthy competitive element both in school and outside of school.

We ask our parents to encourage their children to participate in the physical and sporting activities that the school organises and to promote a healthy lifestyle both in and out of school.
