To understand the importance of Jesus and the Last Supper and what this looks like in mass

Geography – Investigating Coasts

What are coasts and how are they formed?

- What is the process of erosion and how does it affect the physical features of a coastal landscape?
- What coastal management strategies are used to protect the coast from further erosion?
- Would you prefer to visit a sandy or a shingle beach?
- Will building a hotel on the coast be positive or negative for the environment and local community?
- What is an OS map and how do we use it to investigate about a new place?
